NEWS RELEASE
Saturn National Donor Drive
NR#06-04

February 14th is not only Valentine's Day; it's also a special day to help others in need. Suncoast Communities Blood Bank invites the public to spend just a few minutes and stop by the Saturn Dealership in Sarasota to take part in Saturn's 9th Annual National Donor Day. Saturn National Donor Day is America's largest annual one day, life-saving donation drive. The community is encouraged to donate blood on the bloodmobile and to learn more about the National Marrow Donor Program Registry and organ and tissue donations. Since 1998, Saturn Retailers have volunteered to hold more than 1,600 community donor drives.

Suncoast Communities Bloodmobile will be at the Saturn Dealership, 7777 Tamiami Trail, in Sarasota, on February 14th from 10:00 a.m. to 3:00 p.m. Walk-ons to the bloodmobile are welcome. Anyone interested in donating blood must be at least 16 years old (16 year olds must have parental consent), weigh at least 110 pounds and be in generally good health. People with cardiac, diabetic or various medical conditions may still be eligible to donate. For more information on how to make a blood donation please call 941-954-1600 extension 240 or visit www.scbb.org. This is a worthwhile way to give the "Gift of Life" straight from the heart and to make sure that the blood supply is adequate and available for you or someone else that may need it.
