Suncoast Communities Blood Bank expresses its heartfelt appreciation to those who gave blood to be eligible to play in the tournament. Since two blood donations were required for entry and just one blood donation can help save up to three lives, this means that the Duffers and Donors generously helped to touch 600 lives through this event. What a tremendous effort! The Blood Bank is very appreciative for those blood donations and hopes that many people will continue to forge the bond as life-saving partners to better help the community in need of blood products. Suncoast Communities Blood Bank has served Sarasota, Charlotte and DeSoto Counties for more than fifty years and is committed to providing a safe and adequate supply of blood and blood products to the community.
