NEWS RELEASE
Blood Bank Still Needs Types A and O
NR#06-08

Suncoast Communities Blood Bank (SCBB) thanks the many individuals who have responded to the need for blood this week. Blood cannot be readily available for those who need it without the community's support. Volunteer blood donors are indeed the "heart" of what we do and these volunteer blood donations allow for us to supply the local hospitals.

SCBB is still in critical need of A-negative and A-positive and O-positive and O-negative blood types. The Blood Bank asks people to take a few minutes of their time this weekend to donate blood.

The following is a list of the blood drives and locations scheduled for this weekend where the public can donate blood:

March 11
8:00 a.m. to 1:00 p.m.
